By Christina Gr.6

On my March Break holiday I played six soccer games. On the first Saturday, I played against Toronto SC and lost 1-0. ON the first Sunday, I had a tournament in Oshawa. We played them and won 8-0. I scored two of the goals and three of the assists. We also played Whitby and lost 1-0. We had another tournament in Newmarket on Thursday. We played against Orangeville and won 4-1. I got one assist. We also played NewMarked and tied 1-1. I scored the only goal.

Lastly, on the next Saturday, we played Pickering and won 1-0. That is what I did on my March Break.
