Important Dates:

February 1st – P.A. Day
February 14th – Valentines Day
February 18th – Family Day

This Valentines day, one of the crafts our kids participated in was a finger painted flower card! The children dipped their hands into paint of their desired colour, and arranged their hands so that it looks like their prints are flowers! Then using paintbrushes, all that is left is to add the finishing details of the leaves and the stems!
