Well-Being Awareness! The importance of health and personal hygiene

Students watched videos on improving personal hygiene and practiced proper hands washing

Holiday music

Performance: JK and SK performed Jingle bells together to take part in the holiday spirit!

*Wishing Everyone
a very Happy
Holiday and a
Happy New Year*

Safety: Fire Alarm practice

Nutrition: Learning about the Canada food guide and how to correctly follow it.

Gingerbread House Fun!

Children love decorating Gingerbread Houses at Christmas time. It's a great way to keep them busy in the days leading up to Christmas and new year

you could involve children of about seven in making the gingerbread roof and walls, and it is a good opportunity to teach them about planning, measuring, cutting out, maybe even making a cardboard model first. It helps them to understand shapes and teaches them to turn one-dimensional shapes into three-dimensions.
